Isle of Palms Rental Revenue

Gross Rental Revenue, or gross rental income, is the total amount of money a property generates from rent before any expenses (including property management commissions, cleaning fees, maintenance, HOA fees, etc.) are deducted.

Isle of Palms Rental Property Address: _____

Property Owner Name(s): _____

2024 Management Company and/or Booking Site Information (attach an additional paper if needed)

Management Company or Booking Site Name	Gross Rental Revenue

Other 2024 Booking Totals Not Included Above	Gross Rental Revenue

Total 2024 Gross Rental Revenue (add totals from above) _____

You are required to attach the "End of Year" reports from all property managers and/or booking sites used in 2024. If you had any rental revenue outside of a manager or booking site, please include a statement detailing that revenue as well. Applicants should consult their tax advisor if they have questions about this form.

Under penalty of perjury, I, _____ (name of property owner), declare that for the calendar year 2024, the property listed above was only rented through the above-named property management companies or sites, that no additional rental income was received, and that the submitted "End of Year" reports include all rental income revenue for the property.
