August 2011

Ann M. Graham – Fire Chief

Isle of Palms Fire Department
Table of Contents
August 2011

8/12/11 All units responded to a reported structure fire in Forest Trail. Prior to arrival, Engine 2 reported that smoke was visible. Mutual aid was requested. Upon arrival, crews reported heavy fire and smoke coming from the attic of a two-story residence. A water supply was established while size-up was completed. Two 1 ¾-inch hand lines were pulled to initiate fire attack. A 2 ½-inch attack line was pulled to assist with fire attack. Tower 1 set up to provide an aerial master stream on the fire. Once the fire was brought under control, a crew forced entry to the interior of the residence to begin overhaul operations. The State Law Enforcement Division's (SLED) Fire Investigation Team was requested to assist with origin and cause determination. Lieutenant Hathaway remained on scene to await the investigators. Once the investigation was complete, the property was secured and turned back over to the owner.

8/13/11 All units responded to a reported structure fire on 28th Avenue. A cleaning service employee had arrived at the residence and smelled smoke. Upon arrival, crews reported smoke showing from the residence. Crews forced entry and advanced a 1 ¾-inch attack line to the interior to extinguish the fire. Once the fire was out, crews began salvage and overhaul operations. The fire was contained to the laundry room, but heat and smoke damage was present throughout the residence. All utilities were secured. The Police Department was asked to place the residence on special patrol.

8/22/11 Personnel responded to a possible lightning strike at a residence on Palm Boulevard. Upon arrival, crews found an area of the roof that had been struck by lightning and found an area in the attic that had signs of burning. No smoke or fire was present. The area was thoroughly overhauled. Several electrical breakers were tripped and the resident was advised to have an electrician look at the service before turning the breakers back on.

8/24/11 Personnel responded to a swimmer in distress in the ocean behind Ocean Club Villas. The caller advised his son was in the water on a "boogie board" and had gone out of sight. Upon arrival, Fire Department personnel launched two jet skis and initiated a search. The U.S. Coast Guard was requested to provide a search helicopter and the Charleston County Sheriff's Office launched a boat to assist with the search. After a short search, Police Department personnel returned to the location where the swimmer was staying and found he had returned to shore. He was uninjured. All units returned to service.

8/26/11   Personnel responded to the area behind Seascape Villas for a report of a kite boarder in distress. Due to concerns about launching on the beach, two jet skis were launched from the Isle of Palms Marina. Upon arrival, crews attempted to obtain a visual on the kite boarder. The U.S. Coast Guard search helicopter made several passes and did not see anything from the air. The jet skis searched the area thoroughly and also reported not finding anyone in distress. All units were returned to service.

8/26/11   Personnel responded to a report of a surfer in distress in the ocean between 2nd Avenue and Breach Inlet. Crews arrived on scene and were able to obtain a visual on the surfer. Two Fire Department jet skis were launched from the Breach Inlet boat ramp and a command post was established on the Breach Inlet Bridge. Due to surf conditions, Sullivan's Island Fire Department was requested to launch their watercraft as a back-up team. Both watercraft were able to make contact with the surfer and assist him to shore. All units were returned to service.

8/27/11   Personnel responded to a report of a kite boarder in distress in the ocean near 6th Avenue. Upon arrival, crews began launching a jet ski. While launching the jet ski it was discovered the kite boarder was being assisted from the water. Personnel checked to see if he needed any medical attention. He did not need any medical attention and personnel continued out to retrieve the kite. All units cleared the scene.

Training Report
August 2011

Career Personnel		Volunteer Personnel	
Total Training Hours	1190.25	Total Training Hours	155.50
Hours Per Person	32.20	Hours Per Person	15.60

Additional Training

All career personnel received training on fire ground operations, fire protection systems, and the Personal Escape Systems they have been issued.

All volunteer personnel received training on fire ground operations.

All personnel participated in a training class conducted by Meducare. Representatives from the helicopter transport agency came to the island and explained their mission. Personnel also were instructed in how to properly establish a landing zone. The highlight of the program was the landing of the helicopter.

Medical in-service training covered Workforce Safety and Wellness; Medical, Legal, and Ethical Issues; and Communications and Documentation.

Fire Inspector Jeff Anderson attended a day-long program entitled "Arson Investigation for Hybrid Vehicles." This program was sponsored by the International Association of Arson Investigators and was held at the Lexington County Fire Training Center.

The volunteer roster is currently at 10 members.

8/2/11	Engineer Micalizzi and Firefighter Richardson responded to the beach in the area of 25th Avenue to remove debris that had been washed ashore. Upon their arrival the debris had been moved above the shoreline. The crew loaded all debris into Rescue 6 and hauled it to Public Works.
8/3/11	Captain Tetor, Engineers Bolen and Giddens, responded to Ocean Boulevard in front of the Sea Cabins to assist a motorist. After assisting them with a jump start, all units returned to service.
8/6/11	Firefighters Mello and Todd responded to Ocean Boulevard to assist a motorist needing a jump start. After assisting the motorist, all units returned to service.
8/18/11	Captain Tetor, Engineers Bacon and Puckhaber, and Firefighter Randolph, conducted a station tour for a family of ten (10) visiting the island.
8/19/11	Engineer Puckhaber and Firefighter Randolph assisted with crowd control during a turtle release in the area of the County Park.
8/21/11	Captain Tetor, Engineer Bolen, and Firefighter Mello, responded to Twin Oaks Lane to remove a downed tree from the roadway. After cutting the tree into smaller sections, it was moved to the side of the road and Wild Dunes Security was advised.
8/22/11	Fire Inspector Anderson delivered unfilled sand bags to a resident on Charleston Boulevard in preparation for a storm.
8/24/11	All of B shift responded to the First United Methodist Church to set up a tent for their fish fry event.
8/25/11	Administrative Assistant Golden called all residents on our Emergency Preparedness Priority Assistance List to check on their status. Several residents requested assistance with storm preparations.

8/26/11	While driving past the Breach Inlet marina area, Chief Graham and Engineer Puckhaber observed a boat sitting low in the water. Upon investigating, they found the boat was taking on water and called Station 1 to bring the dewatering pump to the scene. Firefighters Graham and Randolph responded with Rescue 1. While on scene a passerby advised Chief Graham that they knew the owner and they would advised him of the situation. The crew removed as much water as possible, preventing the boat from sinking. All units cleared the scene and returned to the station.
8/26/11	Lieutenant Eagle, Engineer Micalizzi, and Firefighter Richardson, responded to Forest Trail for a report of a tree down in the roadway. Upon arrival, the crew found a tree covering both lanes of traffic. The tree was cut into smaller sections and moved to the side of the road for Public Works to pick up on their next business day.
8/26/11	Engineer Goodwin and Firefighter Heyward responded to the intersection of 26th Avenue and Hartnett Boulevard for a report of a tree down in the roadway. Upon arrival, the crew found a tree covering both lanes of traffic. The tree was cut into smaller sections and moved to the side of the road for Public Works to pick up on their next business day.
8/26/11	Fire Department personnel assisted a seagull in distress on the Breach Inlet Bridge. After some coaxing the bird was able to get over the side of the bridge and into the water. The bird did not show any signs of distress once in the water and resumed normal activity.
8/27/11	Lieutenant Eagle and Engineer Micalizzi responded to a residence on 43rd Avenue to assist an elderly person who had fallen. Upon arrival, the crew found the person on the floor of their bedroom. They asked for assistance to a standing position. Resident was uninjured and denied needing any medical attention.
8/27/11	Chief Graham and Engineer Goodwin conducted an evaluation of damage and erosion to the beach area caused by the storm that passed through the area during the night. Affected areas were videotaped and photographed.
8/31/11	Captain Bullock, Lieutenant Smith, and Engineers Ciappa and Pesature, responded the First United Methodist Church to take down the tent previously set up for their fish fry event.

Communications Report
August 2011

Upgrades to the Charleston County Digital Radio system remain on schedule for cut over in November 2011 for all sites with the exception of Isle of Palms. The Isle of Palms site is expected to go on line by the end of December 2011. All dates are subject to delays in the event of a natural or manmade disaster.

August 8, 2011
Chief Graham was appointed Chairperson for the newly formed Fire/EMS/Rescue Dispatch Review Committee. The Dispatch Review Committee will serve under the Operations Committee of the Charleston County 911 Consolidated Dispatch Board.

Objectives of the Dispatch Review Committee include, but are not limited to the following:

Review select complaints specific to protocols.
Provide routine review of response configurations.
Evaluate the need to update the response configurations based on statistics and compliance.
Assist in developing policies relative to the use of protocols.
Assist with education of the line responders of the process.
Review of all proposals for change before being submitted to the National Academy of Emergency Dispatch for review.
