Isle of Palms Fire Department
Call Summary
September 2011

9/4/11   Personnel responded to a reported structure fire at a high-rise building on Palmetto Drive. Upon arrival the building manager advised that there was a smoke condition on the second floor. Upon investigation, a fire was found in the kitchen of a second floor unit. Crews advanced a 1 ¾" attack line to the unit and extinguished the fire. Ventilation was initiated and crews check for fire extension. No extension was found and salvage operations were completed. After resetting the alarm system, all personnel returned to service.

9/10/11   Personnel responded to the front beach area for a report of a missing child. Crews arrived on scene and obtained a description of the child. A search was started and involved personnel from both the fire and police departments. All businesses on Ocean Boulevard were checked. After a lengthy search, crews received a report of a girl matching the description walking on the beach near 6th Avenue. The child was located and reunited with her family.

9/11/11   Personnel responded at the request of the Awendaw Fire Department to a report of a structure fire on an island off the Intracoastal Waterway. A crew responded with Boat 1 to area and upon arrival found the remains of a structure on fire. The crew with the assistance of the Sullivan's Island Fire Department extinguished the fire, performed overhaul to ensure all fire was out, and returned to service.

9/15/11   Personnel responded to a residence on Charleston Boulevard for a report of a fall with injury. Upon arrival crews determined the patient had fallen from a height greater than 12 feet, and quickly assessed and packaged the patient for transport to the hospital. Patient was turned over to Charleston County EMS upon their arrival.

Call Summary
September 2011

9/24/11   Personnel responded to a residence on 43rd Avenue for a report of a possible structure fire. Upon arrival, crews found a small fire smoldering in the area of the dishwasher. After securing power to the dishwasher, a fire extinguisher was used to extinguish the remaining fire. Upon further investigation, it was determined the wiring around the main power supply had burned some of the connections. Slight damage was noted to the flooring around the dishwasher and to the dishwasher itself. No further extension of the fire was found. All units returned to service after completing salvage operations and turning the property back over to the occupants.

9/28/11   Personnel responded to the area of Dewee's Inlet for a report of a boater in distress and shooting off emergency flares. A crew launched Boat 1 and they observed another flare being shot off as they approached Dewee's Inlet. The crew continued to search and found the boater already being assisted by members of the Dewee's Island Fire Department. After confirming that no further assistance was needed, the crew returned to the marina.

Training Report
September 2011

Career Personnel
Total Training Hours   1124.75
Hours Per Person   30.40

Volunteer Personnel
Total Training Hours   122.00
Hours Per Person   11.10

Additional Training

All career personnel received training in pumping apparatus, water supply, standpipe connections, and incident report writing.

All volunteer personnel received training in water supply, standpipe connections, fire hose advancement, and policies and procedures.

Medical in-service training covered Airway.

Battalion Chiefs Bob Maibach and Fred Tetor successfully completed a train-the-trainer program entitled "Vehicle Rescue 2011" taught by the Texas-based company Scene of the Accident. The program was taught in accordance with NFPA 1670 (Standard on Operations and Training for Technical Search and Rescue Incidents), Chapter 8. The two-day course covered new car construction and features, and addressed newer methods to access and remove victims.

The volunteer roster is currently at 11 members.

Communications Report
September 2011

September 14
Chief Graham attended a Digital Radio User Group meeting to discuss the status of the Charleston County Digital Radio System Expansion / Upgrades.

Bill Tunick of Charleston County Radio Communications informed the group that upgrades to the Charleston County Digital Radio system remain on schedule for cut over in November 2011 for all sites with the exception of the Isle of Palms tower. The Isle of Palms site is expected to go on line by the end of January 2012. All dates are subject to delays in the event of a natural or manmade disaster. Funding for Phase III has been approved by Charleston County Council. Charleston County is in contract negotiations with Motorola for Phase III.

Charleston County 911 Consolidated Dispatch
The Isle of Palms Fire Department has begun the transition towards Charleston County 911 Consolidated Dispatch. Title changes were approved for Battalion Chief and Captain. This change is consistent with other departments in the County. In addition, all fire apparatus received a new number as adopted by the Charleston County Chief's Association. All personnel received a new call sign that is consistent with the new numbering system.
