**Call Summary**  
*July 2012*

7/27/12

Personnel responded to the Intracoastal Waterway for a report of boat that had run aground. Boat 1020 responded and located the boat. No one was in distress, but Boat 1020 could not reach the stranded boaters due to the tide. Charleston County Rescue Squad responded with their air boat and they were able to assist one female passenger from the boat back to the Isle of Palms Marina. The two remaining occupants of the boat declined any further assistance, and stated they would wait for the tide to rise and return their boat to the marina.
