**Isle of Palms Fire Department**  
**Call Summary**  
*April 2014*

- 4/4/14 Personnel responded to a motor vehicle accident on Palm Boulevard. Upon arrival the crew found a sport utility vehicle had struck a palm tree. The sole occupant of the vehicle denied any need for medical attention, and the crew secured the vehicle battery and contained a small fluid leak. All units returned to service.
- 4/7/14 Personnel responded to a report of a structure fire on Yacht Harbor Court. While enroute crews were told a child placed another 911 call and reported their house was on fire. The child then put down the phone. When they returned the dispatcher asked them to put an adult on the phone. The child responded by saying "mommy and daddy are on fire and can't come to the phone." Upon arrival fire personnel saw no signs of smoke or fire, and it appeared a family was loading luggage. The occupant stated they did not dial 911 and there was no fire. After confirming the location, personnel asked the dispatcher for the phone number where the call originated. When this number was dialed it rang the phone inside the residence. After speaking with an adult, it was determined a child inside the home had made the 911 calls. After speaking with the family about the matter, all units returned to service.
- 4/11/14 Personnel responded to a report of an outside fire in Ocean Point. Upon arrival crews found a single roll out trash can was on fire in front of the residence. The fire was extinguished and the crew spoke with the homeowner. All units returned to service.
- 4/18/14 Personnel responded to a report of a paddle boarder in distress in the area of 44<sup>th</sup> Avenue. Upon arrival personnel tried to obtain a visual on the paddle boarder without success. Two jet skis were launched for a quick search of the shoreline, but paddle boarder was found. Charleston Fire Department Marine 101 and the U.S. Coast Guard assisted with the search from the sea and the air. The search was discontinued after several hours and the paddle boarder later reported to law enforcement authorities they were safe. All units returned to service.
- 4/19/14 Personnel responded to a report of boat taking on water at a dock behind Morgan's Cove. Upon arrival crews confirmed a 20-foot vessel was taking on water. After meeting with the vessel's owner, fire department personnel used a portable pump to remove the water. While on scene personnel observed two other vessels also had taken on water and used the portable pump to clear those vessels as well. All units returned to service.
- 4/27/14 Personnel responded to a report of boat stuck in the mud near Breach Inlet. Upon arrival crews launched a jet ski to investigate and personnel found a boat high aground between Breach Inlet and the Intracoastal Waterway. The occupants of the boat declined assistance from the fire department and said a private tow company was enroute to assist them. All units returned to service.

<u>Career Personnel</u>		<u>Volunteer Personnel</u>	
Total Training Hours	1460.50	Total Training Hours	10.50
Hours Per Person	41.70	Hours Per Person	2.60

*Additional Training*

All career personnel participated in fireground operations, hose line advancement, and water rescue training. Personnel also completed a walkthrough of the new Harris Teeter supermarket.

Volunteer personnel met with the volunteers at the Mount Pleasant Fire Department twice to review their brush fire equipment and their medical triage procedures.

Medical in-service consisted of a quarterly skills review on the treatment of shock and respiratory patients.

The volunteer roster is currently at 4 members.
