Isle of Palms Fire Department

Call Summary

July 2014

- 7/1/14 Personnel responded to report of two kayakers in distress between the Isle of Palms and Bull's Bay. A jet ski was launched and searched the area from the Isle of Palms Marina to Hamlin Sound before the incident commander was advised that personnel from the Charleston County Rescue Squad had located the victims. Assistance was provided by Charleston County Rescue and all Isle of Palms personnel returned to the marina. All units were placed back in service.
- 7/3/14 Personnel assisted law enforcement with a missing person incident. The fire department provided transportation along the beach from 7th Avenue to 44th Avenue for a father searching for his son. After the completion of the search, law enforcement took control of the matter. All units were placed back in service.
- 7/3/14 Personnel responded to a report of a shark bite. Upon arrival personnel found the victim seated in the back of a pickup truck with an obvious bite to their forearm. The patient was treated and care was turned over the Charleston County EMS for transport to a local hospital.
- 7/4/14 Personnel responded to a possible commercial structure fire at a business on Palm Boulevard. Upon arrival there were no signs of smoke or fire present. The store manager advised there was a haze of smoke in the building, but could not locate the source. Crews began to investigate and determined a circulation fan in the walk-in cooler had malfunctioned. The power to unit was secured and the store manager contacted a repair technician. All units returned to service.
- 7/4/14 Personnel responded with law enforcement to the Isle of Palms Marina for a report of a suspicious package. Upon arrival fire department units staged a safe distance away while waiting for the Charleston County Sheriff's Office Bomb Squad to arrive and assess the package found on a dock light. While staged, a person walked up to the scene and said the package in question belonged to them. The person was taken to the law enforcement officials in charge and eventually with the assistance of the bomb squad, the package was opened and found to be non-hazardous. All units returned to service.
- 7/14/14 Personnel responded to a report of a jet ski stranded on a sand bar on the beach side behind a condominium complex on Palmetto Drive. Upon arrival personnel observed a jet ski and it's operator on a large sand bar. A jet ski was launched and the crew member made contact with the stranded watercraft. The watercraft was inoperable and due to impending bad weather the decision was made to tow the unit back to shore. Once on shore the unit was secured and all fire department units returned to service.

Call Summary

July 2014

7/25/14

Personnel responded to a report of a boat in distress in the Intracoastal Waterway near Capers Island. Boat 1020 was launched and while enroute to the area came upon the boat and its owner. The boat had been secured to a private dock, but was inoperable. The boat owner got on Boat 1020 and all parties proceeded to Capers Island where the remainder of the family had been stranded. Once there, the family boarded Boat 1020 and were returned to the Isle of Palms Marina.

Chief,

I would like to commend and thank the young Fire Fighter shown in the attached photo for his kindness shown to 5 of my grandkids on the evening of Wed July 16.

He is a fine man in love with his job.

You are lucky to have him in your command.

Thank You for your service and that of all those who serve with you.

Brian

Good morning, Chief Graham;

The American Red Cross remains proud to partner with the committed firefighters of the Isle of Palms Fire Department. On Friday, July 18, I had a more personal experience with your team. This was also a very positive experience that I wanted to take time to share with you.

One of the golfers at a charity golfing event at Wild Dunes had an allergic reaction to something that he ate. Although I have no medical training, because I work with the Red Cross, I always get summoned to help. The golfer was nauseated and didn't feel well. The severity of his reaction was not realized until we got him off of the golf course and in my car. The intent was to find a doctor's office on Isle of Palms. When the golf course officials realized that the one on the Island was closed, I immediately thought of the fire department.

Your firefighters could not have been more professional and helpful to the golfer. They immediately realized the urgency of the situation and called an ambulance. They administered oxygen and checked vitals until EMS arrived. Their professionalism and kindness were a great comfort to all.

The Isle of Palms Fire Department and your firefighters are a true asset to the Community. Thank you for all that you do.

Sincerely,

Louise

Thank you, Gretchen. By copy of this email, I am passing along your compliment. When my "grands" come to visit and bring their friends, we never miss a visit to one of the two Fire Stations. The crews at the stations are an inspiration to the children and always get in a bit of a safety lesson as well.

I appreciate so much your taking a minute to pass along the positive. It means so much. Linda Tucker

Hello!

My family and I recently visited Isle of Palms. It was our first visit and we absolutely loved it. On July 4th, my family was eating at a restaurant across from Fire Station 30. My children were fascinated with the fire trucks. I walked them to the sidewalk just to look at the trucks. A fireman saw them looking and came out to greet them. He gave them a tour of the fire trucks, gave them a plastic hat, and let them look at the equipment. My children had a blast and still mention it today. I just wanted you to be aware of how professional and friendly all the firemen were to our family.

We really enjoyed our vacation to your city. It was our first trip, but it will not be our last. The fireworks were awesome. It was our first time watching it from the beach. Isle of Palms is a very welcoming place to visit. Once again, the firemen made a great impression on my children.

Thank you,
Gretchen
