Upon arrival crews found a small fire in the air conditioner unit on the outside of the structure. Power was secured to the unit and the fire was extinguished. Following overhaul the scene was turned over to Wild Dunes Property Management and all units returned to service.
- 5/19/15 Personnel responded to a report of drowning on the beach behind Coconut Joe's. While enroute crews were advised the victim had been pulled from the water. Upon arrival crews found the patient lying on the beach with bystanders administering care. Personnel immediately initiated patient care and administered high flow oxygen. The crew loaded the patient into a pickup truck for transport to the Charleston County EMS unit. Patient care was transferred to EMS and the patient was transported to a local medical facility. All units returned to service.
- 5/21/15 Personnel responded to a report of fall with injury at a residence on Beachside Drive. The patient was packaged for transport and patient care was transferred to Charleston County EMS upon their arrival.
- 5/25/15 Personnel were departing the scene of an earlier call when they were flagged by an individual stating he had been shot. The Police Department was notified and patient care was initiated. Crews assisted with packaging and loading of the patient for transport, and all units cleared the scene.
- 5/27/15 Personnel responded to a report of a kayaker in distress in the area of Capers Inlet. Boat 1020 was launched and the crew was told the kayaker was last seen in a tidal creek near Capers Inlet. Upon arrival Boat 1020 met with friends of the kayaker who said they lost track of him when the low tide made it impossible for him to paddle any further. Initially the friends were in voice contact, but had since lost contact with the kayaker.

Call Summary
May 2015

Incident Command requested an air boat to respond because the area was not accessible with the watercraft on scene. A Dewees Island resident was able to make contact with the kayaker and passed on that he was dehydrated, but otherwise in good health. The resident also relayed to command that the area may not be accessible by air boat and incident command requested a U.S. Coast Guard helicopter. The helicopter arrived on scene and was able to lift the kayaker to safety. The Coast Guard transported the individual directly to the Medical University of South Carolina for treatment. The two friends and their canoe were transported back to the Isle of Palms Marina by Boat 1020. All units returned to service.

5/27/15 Personnel responded to a report of a vehicle fire at a residence on Oyster Row. While enroute units were told the vehicle fire had been extinguished, but some nearby brush had been ignited. Upon arrival crews pulled a 1 ¾" hand line and extinguished the small brush fire. After ensuring all fire had been extinguished, all units returned to service.

5/29/15 Personnel responded to a request for mutual aid for a structure fire on Sullivan's Island. Ladder 1001 responded and assisted with ventilation upon arrival. With the fire now under control and their assignment completed, Chief 1201 released Ladder 1001 and they returned to service.
