The following is a synopsis of some of the activities of the Isle of Palms Police Department during the month of September.

## Patrol

September 2, 2009 At approximately 1 A.M., an officer on patrol stopped to speak with a male subject operating a bicycle on Palm Boulevard without lights. While the officer spoke to the subject he determined that the subject was in possession of a quantity of marijuana. He was charged with Simple Possession of Marijuana and NRVC for an unpaid traffic ticket.

September 3, 2009 An officer on patrol stopped a vehicle on Palm Boulevard for speeding and while speaking to the driver determined that he had no license in his possession and it was suspended for not paying a previously issued ticket. The driver was charged with DUS 3<sup>rd</sup> offense, Habitual Offender, Speeding, and NRVC.

September 6, 2009 Officers responded to a Charleston Boulevard residence where a citizen calling 911 reported a woman that had been stabbed in the neck and a male holding down another male in the front yard. The first officer to arrive was told that the male being detained had stabbed the female that was lying on the ground approximately 20 feet away, and advised the victim and the suspect are married but legally separated. The officer immediately placed the suspect in handcuffs and placed him in his vehicle. He then retrieved a black tactical knife that had been lying on the ground near the suspect. First Responders from the fire department arrived and treated the victim until EMS arrived and transported her to MUSC Trauma Unit in Charleston. The victim sustained stab wounds to her back, neck and face. Officers protected the crime scene and obtained statements from witnesses. Investigators were notified and responded to the

residence to process the scene, to the hospital, and to headquarters to meet with the suspect. The suspect was charged with Assault and Battery with the Intent to Kill and transported to the Detention Center. He appeared before a Magistrate on 9-7-09 and was placed on a \$100,000 bond.

September 7, 2009 A vehicle was stopped on Palm Boulevard for an equipment violation and while running a computer check of the drivers license it was determined that the license was suspended. The driver was charged with DUS and NRVC for an unpaid traffic ticket. A passenger in the vehicle was allowed to drive the vehicle from the area.

September 9, 2009 Just after 2 A.M., an officer on patrol observed a vehicle on the Connector weaving in and out of the lane of traffic. Once the vehicle was stopped the officer detected an odor of alcohol from within the vehicle and investigated. A female passenger was taken into custody for having two unpaid traffic tickets, and was charged with NRVC 2 counts. The driver was observed attempting to hide something under his seat and was taken into custody for possession of a quantity of marijuana located on his person. He was charged with Simple Possession of Marijuana 4<sup>th</sup> offense.

September 11, 2009 A resident of Sparrow Drive reported that over a period of time, she had over \$90,000 worth of checks forged against her bank account. A checkbook was missing, and all forged checks were written from the missing checkbook. An Investigator has been assigned to the case.

September 11, 2009 Just before midnight, an officer on patrol in Wild Dunes attempted to stop a golf cart as it made a right turn onto Morgan Place Drive and when it did not stop, the officer momentarily pulled up next to the vehicle and verbally told him to pull over. The cart went onto the green of the nearby gold course, where the operator jumped from the cart allowing it to roll into a pond. Located in the cart were a telephone, wallet, and garage door opener. A computer check of the license found in the wallet indicated that the driver was under suspension in North Carolina for DUI. The cart was towed from the pond. An Arrest Warrant was prepared for the subject, since the officer was able to verify his identity by the photo on the license. The following evening the subject came to police headquarters and tried to report that the golf cart had been stolen. He eventually admitted that it was not stolen and he had been the one driving the golf cart. He was taken into custody charged with Failure to Stop for a Blue Light and Siren, DUS, and False Information to a Police Officer.

September 12, 2009 Just before midnight officers responded to an overturned vehicle collision, car vs. tree on JC Long Boulevard. After first aid was administered to the driver for a laceration, he was administered several Field Sobriety Tests, which he failed. He was transported to headquarters for a Datamaster Test that he refused. He was charged with DUI and transported to the Detention Center.

September 15, 2009 An officer responded to a hazardous material spill of gasoline at the gas station on Palm Boulevard and directed traffic while fire department personnel cleaned up the spill.

September 18, 2009 An employee of the local grocery store observed a pickup truck leaving the parking lot of his business and noticed that the truck had two beer carts in the truck that belonged to a local beer distributor. The employee followed the truck and called the police to advise them of the possible theft. The truck attempted to evade the employee by turning into a neighborhood. An officer located the truck and determined that the subject driving had stolen two beer carts worth \$600 from the store. The subject was arrested and charged with two counts of Petit Larceny and Simple Possession of Marijuana for marijuana found in his pocket when arrested.

September 19, 2009 Just after 2 A.M., an officer on patrol observed an oncoming vehicle cross over into the officers lane of traffic. The officer turned around on the vehicle then observed it enter a residential neighborhood running through several stop signs then drive over a railroad tie attempting to evade the officer. The officer detected an odor of alcohol and requested that the driver submit to several Field Sobriety Tests, which she failed. She was transported to headquarters and administered a Datamaster Test, which registered a .15% level of alcohol. The driver was charged with DUI and transported to the Detention Center.

September 22, 2009 At approximately 2:30 A.M., an officer on patrol observed a speeding vehicle on the Connector, and noted that the speed of the vehicle increased to 84 miles per hour. For the safety of the subject he was taken into Emergency Protective Custody and transported to a local hospital for observation.

September 25, 2009 Officers responded to a residence on 30<sup>th</sup> Avenue, where a subject who resides there was observed to be placing personal belongings out on the street. That person had allowed a roommates common-law husband to come and stay in her apartment, and since the couple had been arguing, she decided to remove their belongings. She was advised that proper eviction procedure would need to be followed for the couple to leave. One subject involved had two outstanding Arrest Warrants through two police agencies in Georgia, who both declined to extradite due to the nature of the charges.

September 25, 2009 Officers responded to Summer House in Wild Dunes to assist fire department personnel in evacuating the building due to a fire alarm sounding at that location. Once the cause of the alarm was remedied, all personnel left the area.

She was advised of the law against sleeping in her vehicle and was advised to call someone to pick her up. The subject was loud, profane, and boisterous, but was allowed to call a taxi. After approximately thirty minutes, she was asked to call and check to see how long the taxi would be. After making a phone call the subject stated that the person she called hung up on her, at which time the duty Communications Clerk advised the officer that the subject had just dialed 911 and hung up on them. Due to the subjects severe intoxicated state the decision to arrest the subject was made. While being handcuffed, the subject resisted by pulling away to avoid being restrained. The incident has been assigned to an Investigator to follow-up on.
