**1. Call to order**

**2. Review and recommend firm to provide second opinion on beach management**

Director Kerr said staff reached out to 10-12 firms who could provide the City with a second opinion on beach management. Four firms responded to the RFQ, and their qualifications appear in the meeting packet.

Committee members discussed the firms and collectively felt Foth Olsen was the firm with which they would like to discuss a proposal. Director Kerr explained the procedure for securing professional services. He will reach out to Foth Olsen to request a price for their services as proposed. Should that price come within the budgeted amount (\$30,000), then the City Council will vote to move forward with them. Should it be beyond the budgeted amount, Director Kerr will return to the Committee and ask if they wish to negotiate with Foth Olsen or discuss a proposal with the next firm on the list. He believes he will have their proposal in a few days and will get back with the Committee on their response.

**3. Adjournment**

The meeting was adjourned at 9:17am.

Respectfully submitted,

Nicole DeNeane  
City Clerk
