## MONTHLY REPORT JULY 2021

To Isle of Palm Fire Department  
Fire Station 2  
44 Forty-first Avenue  
Isle of Palm, South Carolina  
29451

Dear Firefighters Fire Station 2,

On behalf of my family, and especially my 3 year old grandson, Landon Keppeler, we would like to thank the thoughtful members of this fire station for the kindness shown to Landon when we visited Isle of Palm June 7 through June 14, 2021.

On our second day there we came upon the fire station with both fire trucks and several firefighters outside. One of the firefighters went to get Landon a little red fire hat, and they were so gracious with their time to let him look at everything and explain the gear on the 'big ladder' fire truck. They even let Landon sit in the driver seat. He was thrilled and excited into speechlessness! So much so that he could not show off his impressive knowledge of fire truck terminology!

After that we literally had to make 3 to 4 stops per day (in our golf cart/scooter) to the fire house for the remainder of our week. Sometimes the fire trucks 'were sleeping'; one time we saw a truck with sirens blaring leave the station. Needless to say, our daily visits were the highlight of my grandson's trip to South Carolina. Even his Aunt's wedding that week paled in comparison to going to see the firetrucks every day!

In appreciation of your kindness, we'd like to make a small donation to the Isle of Palm Fire Department. We trust you can get it to the right person. Perhaps it can help defray the cost to your department for all those little fire hats! We were told Landon was not the first or last visitor to be fire truck-smitten!

Thank you again, perhaps you lit the fire for a future firefighter!

Sincerely,

Cindy Scott and David Goldberg

Landon's grandparents
