

**City of Isle of Palms  
Request for Proposals (RFP) 2024-10  
Exterior Painting of the Recreation Center  
Addendum #1 – Answers to Questions**

The following questions were submitted prior to the deadline for questions.

- 1. Would you like for the (16) exterior wooden brackets located on the second story foyer to be painted? If so, what color?**

Yes, the wood brackets should be included and painted white.

- 2. For the downspouts on the gymnasium, you have indicated to paint them red or blue, depending on which color you choose. Would you want the bottom part of the downspout to be painted sandstone vs the current red color, so it blends into the backdrop better?**

The downspouts on the gymnasium (sandstone color) portion of the building should be painted sandstone color so they blend into the backdrop.

- 3. Does the City of Isle of Palms have a specific Oath Non-Collusion form to be completed?**

There is no official affidavit of non-collusion form from the City of Isle of Palms.
